John,

This coming Thursday does not work on this end. Wednesday afternoon or Friday morning appear to work better here. At this point I would need to confirm specific times on Monday as a couple of our people are gone for the day. Would either of those work for you. We could always do a conference call if that is more convenient

Nick,

I have spoken with my regional leadership regarding (b) (5) (b) (5) agree that it would be helpful to set up a date in the new year to discuss next steps in the project (b) (5) as we discussed at our last meeting.

Do you have any dates that would work for you towards the middle or end of January?
